The Custom Bellbush

BELONG TO A VIBRANT, EXCLUSIVE COMMUNITY

This custom Bell Bush design is wider than the standard and makes clever use of space and is great for entertaining, with large lounge area, flowing through to dining room and kitchen. A peaceful, well-sized alfresco area completes the picture. The bedrooms to the back of the home both offer built in robes, for extra storage space. The second bedroom is just perfect for when the grandkids or friends come to stay, or converts into a large, private study.
