The Eucalypt Duo

BELONG TO A VIBRANT, EXCLUSIVE COMMUNITY

If you aren't quite ready for a 1-bedroom home, then this clever upgrade to the popular Eucalypt design gives you a bonus 2-bedroom plan to call home. A generous carport to this home with a verandah entrance leading into the main living room which has been widened to give this home the spacious feel to the open plan design. A bay window in the master bedroom and built in robes in the bedrooms offer extra storage space. The private alfresco to the rear of this home completes the picture.
